**NOTES:**

1. The relative Explanatory Statement and additional information as required under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and circulars issued thereunder, setting out material facts concerning the business under Item No. 3 of the Notice, is annexed hereto.
2. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs, Government of India, ("MCA Circulars"), vide General Circular Nos. 14/2020 dated 8th April 2020, 17/2020 dated 13th April 2020, 22/2020 dated 15th June 2020, 33/2020 dated 28th September 2020, 39/2020 dated 31st December 2020, 10/2021 dated 23rd June 2021, 20/2021 dated 8th December, 2021 and Circular No. 02/2022 dated 5th May, 2022, permitted convening the Annual General Meeting ("AGM"/"Meeting") through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM"), without physical presence of the members at a common venue. Accordingly, the 35th Annual General Meeting of the Company will thus be held through video conferencing or other audio visual means. Hence, Members can attend and participate in the ensuing AGM through VC/OAVM. The deemed venue for the AGM shall be the Registered Office of the Company.
3. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the Company. **Pursuant to MCA Circular No. 14/2020 dated 8th April, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. As this AGM is being held through VC / OAVM pursuant to the MCA Circulars, physical attendance of members has been dispensed with.** Accordingly, the Proxy Form and Attendance Slip are not annexed hereto.
4. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, authorized representatives of the members such as the President of India or the Governor of a State or body corporate can attend this AGM through VC/OAVM and cast their votes through e-voting. Corporate members intending to send their authorized representatives to attend the Meeting are requested to send to the Company at investorcommamco@gmail.com, a certified copy of the Board Resolution before the date of 35th Annual General Meeting authorizing their representative to attend and vote on their behalf at the Meeting.

The result will simultaneously be communicated to the stock exchange i.e BSE Limited. The results will also be displayed at the Registered office and at the Corporate office of the Company.
22. **The procedure and instructions for remote e-voting & e-voting during 35th Annual General Meeting are produced hereunder for easy reference:**

#### **INSTRUCTION FOR REMOTE E-VOTING AND E-VOTING DURING AGM:**

- (i) The Members can join the 35thAGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- (ii) The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

**INSTRUCTIONS FOR SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETING ARE AS UNDER:**

- (i) The remote e-voting period begins on Tuesday, 27th September, 2022 at 10:00 A.M. (IST) and ends on Thursday, 29th September, 2022 at 5.00 P.M. (IST). During this period the members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Friday, 23rd September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the Meeting.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.**

- (iv) In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**Global Pandemic – COVID-19**

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite periods. Measures taken to contain the spread of the virus, including lockdowns, travel bans, quarantines, social distancing and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown.

The Government of India ordered a nationwide to prevent community spread of COVID-19 in India under first & second wave resulting in significant reduction in economic activities. However, the company continues to believe that the impact of COVID-19 on its business, assets, internal financial controls, profitability and liquidity, both present and future would be limited and there is no indication of any material impact on the carrying amounts of inventories, trade receivables, investments and other financial assets. The eventual outcome of the impact of the global pandemic may be different from those estimated and the company is closely monitoring any material changes to the economic environment and their impact on its business from time to time.

**vii. Key changes in the Nature of business:**

There were no key changes in the nature of the business during the year under review.

**viii. Operations and Future Outlook during the year:**

The results during the Financial year 2021-22 were satisfactory but your Company aims to achieve higher targets. Due to stiff competition, abundance of supplies with no increase in actual demand of the product due to the entry of new market players the Company is continuously trying and changing its market strategy for better and improved results. The efforts of the Company were fruitful during the financial year 2021-22 and the Company was able to achieve good results. Also, the Company is in the process of bringing in better technology & expanding its areas of operation and is aiming for much better results in the near future.

**2. DIRECTORS:****i. Meetings of the Board:**

The Board met Eight (8) times during the Financial Year 2021-22, in respect of those meetings proper notices were given and the proceedings were properly recorded. The intervening gap between any two meetings was within the period prescribed under Companies Act, 2013, Secretarial Standards and SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 on the Corporate Governance. For further details regarding number of meetings of the Board and its committees, please refer Corporate Governance Report, annexed to the Annual Report.

**ii. Changes in Board of Directors:**

During the year under review, Mr. Naseem Ahmad resigned from post of Independent Director w.e.f 22th January, 2022. The Nomination and Remuneration Committee and Board of Directors took note of his resignation.

During the year under review, Mr. Surender Kumar Gupta was re-appointed as Managing Director and Mr. Rajeev Gupta & Mrs. Vidhu Gupta were re-appointed as Whole-time Directors of the Company w.e.f 28th August, 2021 for a period of 5 years.

**iii. Declaration by Independent Directors:**

The Company has received necessary declaration from all the Independent Directors under Section 149(7) of the Companies Act, 2013 declaring that they meet the criteria of independence laid down in Section 149(6) of the Companies Act, 2013 and under SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

**vii. Performance Evaluation Criteria:**

The Securities and Exchange Board of India (Listing Obligations and Disclosures Requirement), Regulations, 2015 mandated that the Board shall monitor or review Board evaluation framework. The Companies Act, 2013 states that a formal annual evaluation needs to be made by the Board of its performance and that of Committees and of the Directors. The Schedule IV of the Companies Act, 2013 states that the performance evaluation of the Independent Directors shall also be done by the entire Board of Directors, excluding the Director being evaluated.

The evaluation of all the Directors and the Board as the whole was conducted based on the criteria and framework adopted by the Board. The Board works with the Nomination & Remuneration committee to lay down the evaluation criteria for the performance of executive/non-executive/independent directors through a peer evaluation excluding the Director being evaluated through the Board efficiency survey.

The Board's functioning was evaluated on various aspects, including inter alia degree of fulfillment of key responsibilities, Board structure and composition, establishment and delineation of responsibilities to various Committees, effectiveness of Board processes, information and functioning, information flow, relationship with the stakeholders, Company's performance & Company strategies.

The Directors were evaluated on aspects such as attendance and contribution at Board/ Committee Meetings and guidance/ support to the management outside Board/ Committee Meetings. In addition, the Chairman was also evaluated on key aspects of his role, including setting the strategic agenda of the Board, encouraging active engagement by all Board members and motivating and providing guidance to the Managing Director.

The areas on which the Committees of the Board were assessed included degree of fulfillment of key responsibilities, adequacy of Committee composition and effectiveness of meetings.

The performance evaluation of the Independent Directors was carried out based on the three key roles of the Independent Directors - governance, control & guidance. Some performance indicators bases upon which the independent directors were evaluated are:

- a) Ability to contribute to corporate governance practices of the Company;
- b) Active participation in long term strategic planning;
- c) Commitment to the fulfillment of directors' obligations & fiduciary responsibility;
- d) Participation in Board and committee meetings.

The Independent Directors reviewed the performance of the Board as a whole and also carried out the performance evaluation of the Chairman and the Executive Directors.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### INTRODUCTION:

The management of Amco India Limited presents the analysis of performance of the company for the financial year ended 31st March, 2022 and its outlook for the future. The objective of this report is to present the Management's perception of the various developments in the business environment, challenges and opportunities before the Company as well as to provide an analysis of the Company's performance. This report also summarizes the Company's internal control measures and developments in the Human Resources front. The outlook is based on assessment of the current business environment and thus the Company's actual results, performance or achievements could differ from those projected in any forward-looking statements.

### 1. INDUSTRY STRUCTURE AND DEVELOPMENT:

**ALUMINIUM FOIL:** There are many major Aluminum Foil manufacturers in India who cater to the total demand of the product in different fields of pharmaceuticals and flexible packaging industries. As the Indian economy has been passing through a period of sustained decline in the recent past and this continued during the year under review as well. The other market factors have dropped due to stiff competition in the market and there has been a major decrease in the price of the products.

**PVC FILMS & SHEETINGS:** There are around a dozen PVC Films & Sheetings manufacturers in India. India is among the world's fastest growing polymer markets. India is the second largest demand hub for polymer in Asia after China, accounting for 18-20% of the total Asian consumption. With the increased demand for polymer across the country, India is expected to become the seventh largest consumer of polymer by 2025.

### 2. OPPORTUNITIES & THREATS, RISKS & CONCERNS:

Outbreak of COVID-19 and the measures announced by the government should help the Company but liquidity measures, growth, environment challenges are the areas of concern in the near future.

**ALUMINIUM FOIL:** India is known to be a growing market for the Aluminium Foil industry. High cost of production, slower machinery can become a threat for the industry and entry of some large scale industries of Aluminium foils which spoiled the market by creating abundance of supplies with no equivalent increase on the demand side of products. The Company expects improvement in demand of indigenous foil due to capacity increase by pharmaceutical companies in future. With the efforts of the Management, your Company was able to achieve satisfactory results during the F.Y 2021-22.

**PVC FILMS & SHEETINGS:** The demand growth during financial year ended 31st March, 2022 was driven by higher economic activity, rising disposable income levels, increased spending on infrastructure and uptrend in the packaging and automobiles sector. There is a growing market for PVC Films & Sheetings and Laminated Sheetings unlike other industries. Indian polymer sector was impacted during the beginning of financial year 2021-22 due to Covid 19 pandemic. The business & operation were on halt for almost 4 months. Later, the operations were resumed but it is taking time & efforts to reach the previous targets.

### 3. COMPANY'S PERFORMANCE (PRODUCT WISE):

**ALUMINIUM FOIL:** The Company has executed orders for Pharmaceutical Industries, Packaging Industries, Automobile Industries etc. The total revenue of the Company from Aluminium Foil during the year under review i.e 2021-22 is INR 10637.39 lakhs as against the revenue of INR 5243.66 lakhs during the previous year 2020-21.

**PVC FILMS & SHEETINGS:** The performance in the PVC Films & Sheetings segment has shown a downfall during the year under review. The revenue from PVC films & Sheetings for the year 2021-22 is INR 66.38 lakhs against the revenue of the previous year 2020-21 which was INR 180.22 lakhs. Being a petroleum product, use of PVC resin, few plastic polymers, D.O.P, the increase in price have together made a heavy impact on cost of our products.

### 4. OUTLOOK:

The COVID-19 pandemic is a major black - swan event, which has dragged the economy and the businesses as a result. Today, owing to the Covid-19 crisis, the specialty chemicals market is expected to shrink by 3-5% against F.Y. 2020-21. However, the market is recovering post covid and is expected to reach new heights.

The Aluminium Foil has potential to replace many non bio-degradable products like Polyester, LD, HD, etc. Aluminium Foil is mainly used and preferred in packaging particularly in Pharmaceutical Industry. India is considered to be one of the key producers of aluminum foil in the region. This product of company has wide applications in various areas, such as flexible packaging, food, chemical industry and Pharma sector. In Packaging industry, aluminum foil is gradually replacing polyester & other barrier films because aluminum foil have better barrier properties than others. The change in food habits due to a busy lifestyle, growing demand for ready to eat confectionaries & pharmaceutical products has increased the demand for this industry.

Due to improvement in industrial environment after new government in country we hopeful for good growth in domestic and international market of drugs & pharma resulting in capacity increase in pharmaceutical products and foil consumption.

We have plans to consolidate our position in next few years as one of the top few companies, catering to the packaging needs of Pharma Companies. Further, the Company is highly keen in focusing more in the production of the Aluminium foils and coating of Aluminium foil and the management of the Company has decided to take the relevant steps in the said regard.

#### **5. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:**

Amco India Limited manages, monitors and reports on the principal risks and uncertainties that can impact its ability to achieve its strategic objectives. The Company's risk management framework encompasses internal control in an integrated manner and is tailored to the specific segments of Amco, businesses and functions. It takes into account various factors such as the size and nature of the inherent risks and the regulatory environment of the individual business segment or operating company. The Company has an adequate system of internal controls implemented by the management towards achieving efficiency in operations, optimum utilization of company's resources and effective monitoring thereof and compliance with applicable laws and regulations.

Amco India Limited recognizes that the risks associated with the business need to be managed to protect its customers, employees, shareholders and other stakeholders in the society to achieve its business objectives and enable sustainable growth. As part of its risk management process, Amco India Ltd reviews plan related risks, opportunities and uncertainties. It identifies those as having a high priority for particular oversight by the Board and its various committees. The Audit Committee of the Board of Directors also periodically reviews audit plans, external auditor observations and recommendations, significant risk area assessments and adequacy of internal controls.

The Company's internal control systems are geared towards ensuring adequate internal controls commensurate with the size and needs of the business, with the objective of efficient conduct of operations through adherence to the Company's policies, identifying areas of improvement, evaluating the reliability of Financial Statements, ensuring compliances with applicable laws and regulations and safeguarding of assets from unauthorized use.

A regular Internal Audit System is also in place. The internal audit is carried out by a firm of professional auditors and the audit observations, if any, are acted upon periodically after their review by the Audit Committee. It reviews the internal audit reports and also addresses all aspects of the company's functioning as required under SEBI and Company Law Guidelines.

#### **6. FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:**

Amco India Limited is focused on securing liquidity and capital for its businesses. It makes sure that the capital is made available at the optimum risk adjusted cost and is made available at the time when businesses require it. The detailed financial performance of the Aluminium Foil, PVC Films & Sheetings and Non Woven has been highlighted in the Annual report under the head Segmental Reporting.

#### **7. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS:**

It is your company's belief that people are at the heart of corporate & constitute the primary source of sustainable competitive advantage. The trust of your company's human resource development efforts therefore is to create a responsive and market driven organization. Your company continues its focus on strengthening competitiveness in all its business.

The Company continues to transform its human resource management. The company has followed a conscious policy of providing training to Management Staff through in-house and external programme, for upgrading personal and technical skills in relevant areas of functional disciplines. The industrial relations remained cordial at all locations during the year.

**8. NEW PRODUCT DEVELOPMENT:**

The Gutkha and Pan Masala Packaging units, which have been hit by the Supreme Court's ban on use of plastic sachets for sale purposes, have found an alternate in paper and aluminum foil pouches. The Gutkha and Pan Masala is main leading product in flexible packaging industry and now Aluminum foil is being used for such product.

The Company has now been supplying Aluminium Foil in the market to big companies for Cigarette Foil Packaging, Milk Powder Packaging and for packaging of medical / surgical equipments.

**9. BUSINESS INITIATIVES:**

Amco India Limited aims at delivering superior performance in today's volatile and global environment which requires sound strategy and disciplined execution. Accordingly, the company has launched new initiatives for both its segments namely, Aluminium Foil & PVC Films/Sheetings to enter new markets, to increase production and sales of higher value added products.

**10. MANAGEMENT'S PERCEPTION OF RISKS:**

The Company's exposure to Business, Assets and Financial Risks is stated below:

**BUSINESS RISKS:** In case of all, Aluminium Foil, PVC Films & Sheetings, the business risk includes market conditions, changes in import duties, high cost of raw materials.

**ASSETS RISKS:** Assets risks includes threat to physical assets through accidents, natural calamities, etc. The company has suitable assets insurance policies so as to ensure maximum indemnity in the event of any loss. In addition, it has a system of continuous evaluation of insurance covers so as to cover conventional risks in an adequate manner as is commercially prudent.

**11. APPRECIATION & DEPRECIATION OF RUPEE AGAINST US \$:**

In case of Aluminium Foil, the currency fluctuation had significant impact on the products sale in the market.

**12. RESOURCES:**

**MATERIAL:** In case of Aluminium Foil there are abundance deposits of bauxite in our country which make raw material to be easily assessed. In case of PVC Films & Sheetings, although the raw material used such as PVC resin, DOP, Stabiliser, filler are easily available, the company has faced difficulty due to unstable price of PVC resin. In the matter of Non Woven there are mainly two raw materials. First is PP Granules and the second is PP Pigment. There is no scarcity of any of these raw materials.

**CAPITAL:** The company needs more funds to meet its working capital and long term requirements to increase its production and sales.

**PVC FILMS & SHEETINGS:** Because of multiple uses in different kinds of industries such as Automobile, Stationery, Luggage, Electric Tape etc. and the Fire Retardant Quality, the demand for PVC Films & Sheetings are increasing.

**13. CAUTIONARY STATEMENT:**

The statements in the Management Discussion and Analysis describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities, law and regulations. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include global and domestic supply and demand conditions affecting selling prices of finished goods, input availability and prices, changes in government regulations, tax laws, economic developments within the country and outside the country and other factors such as litigation and industrial relations.

## Independent Auditor's Report

To the Members of Amco India Limited

Report on the Standalone Financial Statements

### Opinion

We have audited the accompanying standalone financial statements of Amco India Limited ("the Company"), which comprises of the balance sheet as at 31st March 2022, and the statement of Profit and Loss (including other comprehensive income), and the Statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on our audit, there are no key audit matters to be discussed.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the

economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting

- e. On the basis of the written representations received from the directors as on 31st March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Act.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact, wherever necessary, of pending litigations on its financial position in its standalone financial statements;
  - ii. the Company has made provision, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
(b) The Management has represented, that, to the best of it's knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to my/our notice that has caused me/ us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.
  - v. The company has not declared or paid any dividend during the financial year ended 31st March, 2022 and thus the reporting requirement as per Rule 11(f) is not applicable.

## **Annexure - B to the Independent Auditors' Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Amco India Limited ("the Company") as of 31st March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal

financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Notes Annexed to and Forming Part of the Financial Statements for the Year Ended 31st March, 2022****1. CORPORATE INFORMATION**

Amco India Limited ("the Company") is a public limited company domiciled in India and is listed on the Bombay Stock Exchange (BSE). The Company is engaged in manufacturing of PVC Leather cloth and aluminum foils.

**2. BASIS OF PREPARATION**

For the year ended 31st March 2022, the Company has prepared its financial statements in accordance with the Indian Accounting Standards notified under Section 133 of the Companies Act 2013, read together with Companies (Accounts) Rules 2014 (Ind AS). The financial statements have been prepared on historical cost basis, except certain financial assets and liabilities which have been measured at fair value, defined benefits plans and contingent consideration. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purposes of current / non-current classification of assets and liabilities.

**Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

**3. SIGNIFICANT ACCOUNTING POLICIES:****A) USE OF ESTIMATES:**

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and reported amount of revenue and expenses during the reporting period. Differences between the actual results and estimates are recognized in the period in which the results are known/ materialized.

**B) INVENTORIES:**

Basis of valuation of inventories followed is given below:

- (i) Raw materials are valued at FIFO basis net of excise duty at the lower of cost or net realizable value.
- (ii) Work- in- Process is valued at their estimated absorption cost.

- (iii) Finished goods are valued at cost of production inclusive of excise duty.
- (iv) Consumable Stores & Packing Materials are valued at cost or net realizable value whichever is lower.
- (v) Damaged, unserviceable and inert stock is suitably depreciated.

**C) DEPRECIATION:**

Depreciation on Property, Plant & Equipment is provided on Straight Line Method on the basis of useful lives given in Schedule-II to the Companies Act, 2013. Depreciation on additions / deletions to assets during the year is provided on pro-rata basis.

**D) REVENUE RECOGNITION:**

**SALES / OTHER INCOME:**

- (i) Sales are recognized at the point of dispatch of finished goods to the customers. Sale of waste is accounted for on dispatch basis.
- (ii) Processing income is recognized upon rendering of the services.
- (iii) Income from dividend on mutual fund is taken on receipt basis.
- (iv) Interest Income is recognized on the basis of accrual but subject to realization.

**E) PROPERTY, PLANT & EQUIPMENT:**

Property, Plant & Equipment are recorded in the books at cost of acquisition, which comprises of the purchase price (net of rebate, discount and Cenvat credit) freight and other incidental expenses including interest relating to acquisition and expenditure on their installation or construction. Capital work in progress comprises the cost of the assets purchased but which are not yet ready for intended use at the date of Balance Sheet.

**F) FOREIGN CURRENCY TRANSACTIONS:**

**(i) Initial Recognition**

Foreign Currency transactions are recorded in the reporting currency, by applying to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

**(ii) Conversion**

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

**(iii) Exchange Differences**

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

**G) INVESTMENT:**

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments. Current investments are carried at lower of cost and fair value. Long term investments are carried at cost. However, provision for diminution in value is made to recognize other than temporary, if any, in the value of the investments.

**H) EMPLOYEE BENEFITS:**

Liability in respect of employee benefit is provided for and/or charged to the Statement of Profit & Loss as follows:

**(i) PROVIDENT FUND:**

The Company's provident fund is in the form of defined contribution plan where contribution is made to funds. The Contribution is accounted on accrual basis. Employers Contribution is charged to the Statement of Profit and Loss of the year in which the employees render the related

service.

**(ii) LEAVE ENCASHMENT:**

The leave encashment liability of the employees of the Company is covered by a Master Policy taken out with the Life Insurance Corporation of India.

**(iii) GRATUITY:**

The Gratuity liability in respect of the employees of the Company is covered by a Master Policy taken out with the Life Insurance Corporation of India under the Group Gratuity Scheme.

**I) BORROWING COST:**

The cost of borrowing is capitalized to the extent term loan was utilized for the purpose of capital expenditure before the period upto which the assets were put to use for commercial production. Borrowing cost incurred post commencement of commercial production is charged to the Statement of Profit & Loss.

**J) SEGMENT REPORTING:**

Segment revenue, results, assets and liabilities have been identified to represent segments on the basis of their relationship to the operating activities of the segment.

**K) EARNINGS PER SHARE (EPS)**

The earnings considered in ascertaining the Company's Earning per Share ('EPS') comprises the net profit after tax. The number of shares used in computing the basic EPS is the weighted average number of shares outstanding during the year. The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares.

**L) TAX EXPENSE**

**CURRENT TAX :**

Tax on income for the current year is determined as per the provisions of the Income Tax Act, 1961.

**DEFERRED TAX:**

Deferred tax is recognized on timing differences between the accounting income and the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. Deferred tax Assets are recognized and carried forward to the extent that there is a reasonable certainty of realization, however in Case of unabsorbed tax losses and tax Depreciation are recognized only when there is a virtual certainty of their realization.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

**M) IMPAIRMENT OF ASSETS:**

Assets that are subject to amortization are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the assets' carrying amount exceeds its recoverable amount. The recoverable amount is the higher of the assets' fair value less costs to sell and value in use.

**N) PROVISIONS AND CONTINGENT LIABILITIES:**

Provisions are recognized when the Company has a present obligation as a result of past events, for which it is probable that an outflow of resources embodying economics benefits will be required to settle the obligation, and a reliable estimate can be made. When the Company expects a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when reimbursement is virtually certain.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably will not, require an outflow of resources. When there is a possible or a present obligation the likelihood of outflow of resources is remote, no provision or disclosure is made.

## O) FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### I. Financial Assets

#### a. Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place [regular way trades] are recognized on the settlement date, trade date, i.e., the date that the Company settle commits to purchase or sell the asset.

#### b. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

##### (i) Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held with an objective of collecting contractual cash flows
- Contractual terms of the asset give rise on specified dates to cash flows that are "solely payments of principal and interest" [SPPI] on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate [EIR] method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

##### (ii) Debt instruments at fair value through other comprehensive income [FVTOCI]:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The asset is held with objective of both - for collecting contractual cash flows and selling the financial assets
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income [OCI]. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

##### (iii) Debt instruments, derivatives and equity instruments at fair value through profit or loss [FVTPL]:

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

##### (iv) Equity instruments measured at fair value through other comprehensive income [FVTOCI]:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as

at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company has made such election on an instrument-by- by instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

**c. Derecognition:**

**A financial asset is primarily derecognized when:**

- (i) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either [a] the Company has transferred substantially all the risks and rewards of the asset, or [b] the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- (ii) the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

**d. Impairment of financial assets:**

In accordance with Ind AS 109, the Company applies expected credit loss [ECL] model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a. Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, deposits, trade receivables and bank balance
- b. Trade receivables or any contractual right to receive cash
- c. Financial assets that are debt instruments and are measured as at FVTOCI
- d. Lease receivables under Ind AS 17
- e. Financial guarantee contracts which are not measured as at FVTPL

The Company follows 'simplified approach' for recognition of impairment loss allowance on Point c and d provided above. The application of simplified approach requires the company to recognize the impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive [i.e., all cash shortfalls], discounted at the original EIR.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed

default rates are updated and changes in the forward-looking estimates are analyzed.

ECL impairment loss allowance [or reversal] recognized during the period is recognized as income/ expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

- a. Financial assets measured as at amortized cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance which reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.
- b. Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

## II. Financial liabilities:

### a. Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

### b. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

#### (i) Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied for liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

#### (ii) Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

#### (iii) Financial guarantee contracts:

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

**c. Derecognition:**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

**P. Reclassification of financial assets:**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses [including impairment gains or losses] or interest.

**Q. Offsetting of financial instruments:**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

**R. Fair Value Measurement**

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a. In the principal market for the asset or liability, or
- b. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted [unadjusted] market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

**33 - FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES**

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The company's financial risk management policy is set by the Managing Board.

**Market Risk**

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

**Interest rate risk**

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the company's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The company is not exposed to significant interest rate risk as at the specified reporting date.

**Foreign currency risk**

The Company operates locally, however, the nature of its operations requires it to transact in several currencies and consequently the Company is exposed to foreign exchange risk in various foreign currencies.

The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies.

**I. Foreign Currency Exposure**

Refer other notes for foreign currency exposure as at March 31, 2022, March 31, 2021 respectively.

**II. Foreign Currency Sensitivity**

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

Currency	2021-2022		2020-2021	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	(149.311)	149.311	(107.426)	107.426
<b>Total</b>	<b>(149.311)</b>	<b>149.311</b>	<b>(107.426)</b>	<b>107.426</b>

**Credit risk**

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is significant increase in credit risk the company compares the risk of a default occurring on the asset at the reporting date with the risk of default as the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- (i) Actual or expected significant adverse changes in business,
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's

ability to mere its obligation,

- (iv) Significant increase in credit risk on other financial instruments of the same counterparty.
- (v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

The company has assets where the counter-parties have sufficient capacity to meet the obligations and where the risk of default is low. Hence based on historic default rates, the Company believes that, no impairment allowance is necessary in respect of above-mentioned financial assets.

#### Liquidity risk

Liquidity Risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at reasonable price. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's net liquidity position through rolling forecast on the basis of expected cash flows.

**Capital management**

For the purposes of the Company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the Company's Capital Management is to maximise shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirement of the financial covenants.

The company monitors capital using gearing ratio, which is total debt divided by total capital plus debt.

**(b) Defined benefit plans**

- Gratuity
- Compensated absences - Earned leave

In accordance with Indian Accounting Standard 19, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions-

**Economic Assumptions**

The discount rate and salary increases assumed are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

**Discount Rate**

The discounting rate is based on the gross redemption yield on medium to long term risk free investments. The estimated term of the benefits/obligations works out to zero years. For the current valuation a discount rate of 6.98% p.a. (Previous Year 6.56 % p.a.) compound has been used.

**Salary Escalation Rate**

The salary escalation rate usually consists of at least three components, viz. regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long-term view as to trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

The assumptions used are summarized in the following table:

**13. Ratio Analysis**

In accordance with the reporting requirements of Schedule III to the Companies Act 2013 as amended from time to time, the company is presenting the below ratios:

Ratio Name	Current Year	Previous Year	% Variation	Reason	Ratio indication
Current Ratio	1.56	1.48	5.71	There is a very nominal change	The current ratio indicates overall liquidity position. Current Ratio = Current Assets/ Current Liabilities
Debt-Equity Ratio	0.49	0.54	-8.08	There is a very nominal change	It indicates the ratio of long term debt to Equity. It calculated as "Long Term Debt / Equity"
Debt Service Coverage Ratio	7.82	3.79	106.31	The ratio has improved due to improved business operations in FY 2021-22	Debt Service coverage ratio is used to analyse the firm's ability to pay-off current interest and instalments. Debt Service Coverage Ratio = Earnings available for debt service / Debt Service

Return on Equity Ratio	12.59%	4.21%	8.38	The ratio has improved due to improved business operations in FY 2021-22	<p>It measures the profitability of equity funds invested in the Company. The ratio reveals how profitability of the equity-holders' funds have been utilized by the Company. It also measures the percentage return generated to equity-holders. The ratio is computed as:</p> $\text{ROE} = \frac{\text{Net Profits after taxes} - \text{Preference Dividend (if any)}}{\text{Average Shareholder's Equity}}$
Inventory Turnover Ratio	12.15	11.23	8.15	There is a very nominal change	<p>This ratio also known as stock turnover ratio and it establishes the relationship between the cost of goods sold during the period or sales during the period and average inventory held during the period.</p> <p>It measures the efficiency with which a Company utilizes or manages its inventory.</p> $\text{Inventory Turnover ratio} = \frac{\text{Cost of goods sold OR sales}}{\text{Average Inventory}}$ <p>Average inventory is <math>(\text{Opening} + \text{Closing balance} / 2)</math></p> <p>When the information opening and closing balances of inventory is not available then the ratio can be calculated by dividing COGS OR Sales by closing balance of Inventory</p>
Trade Receivables Turnover Ratio	10.97	5.55	97.72	The ratio has improved due to improved business operations in FY 2021-22	<p>It measures the efficiency at which the firm is managing the receivables.</p> $\text{Trade receivables turnover ratio} = \frac{\text{Net Credit Sales}}{\text{Average Accounts Receivable}}$ <p>Net credit sales consist of gross credit sales minus sales return. Trade receivables includes sundry debtors and bill's receivables.</p> $\text{Average trade debtors} = (\text{Opening} + \text{Closing balance} / 2)$ <p>When the information about credit sales, opening and closing balances of trade debtors is not available then the ratio can be calculated by dividing total sales by closing balances of trade receivables.</p>
Trade Payables Turnvoer Ratio	30.61	22.40	36.69		<p>It indicates the number of times sundry creditors have been paid during a period.</p> <p>It is calculated to judge the requirements of cash for paying sundry creditors. It is calculated by dividing the net credit purchases by average creditors.</p> $\text{Trade payables turnover ratio} = \frac{\text{Net Credit Purchases}}{\text{Average Trade Payables}}$ <p>Net credit purchases consist of gross credit purchases minus purchase return</p> <p>When the information about credit purchases, opening and closing balances of trade creditors is not available then the ratio is calculated by dividing total purchases by the closing balance of trade creditors.</p>

Net Capital Turnover Ratio	12.87	9.91	29.91	The ratio has improved due to improved business operations in FY 2021-22	<p>It indicates a company's effectiveness in using its working capital.</p> <p>The working capital turnover ratio is calculated as follows:        Net Sales divided by the average amount of working capital during the same period.</p> <p>Net capital turnover ratio = Net Sales/ Average Working Capital.</p> <p>Net Sales shall be calculated as total sales minus sales returns.</p> <p>Working capital shall be calculated as current assets minus current liabilities.</p>
Net Profit Ratio	2.510%	1.388%	-1.12	The ratio has improved due to improved business operations in FY 2021-22	<p>It measures the relationship between net profit and sales of the business.</p> <p>Net Profit Ratio = Net Profit / Net Sales</p> <p>Net profit shall be after tax.</p> <p>Net sales shall be calculated as total sales minus sales returns.</p>
Return on Capital Employed	13.56%	6.58%	6.98	The ratio has improved due to improved business operations in FY 2021-22	<p>Return on capital employed indicates the ability of a company's management to generate returns for both the debt holders and the equity holders.</p> <p>Higher the ratio, more efficiently is the capital being employed by the company to generate returns.</p> <p>ROCE = Earning before interest and taxes / Capital Employed</p> <p>Capital Employed = Tangible Net Worth + Total Debt + Deferred Tax Liability</p>
Return on Investment	NA	NA	NA	There are no such investments other than short term fixed deposits carrying defined interest	<p>Return on investment Return on investment (ROI) is a financial ratio used to calculate the benefit an investor will receive in relation to their investment cost. The higher the ratio, the greater the benefit earned. The one of widely used method is Time Weighted Rate of Return (TWRR) and the same should be followed to calculate ROI. It adjusts the return for the timing of investment cash flows and its formula / method of calculation is commonly available. However, the same is given below for quick reference:</p> $ROI = \frac{\{MV(T1) - MV(T0) - \text{Sum } [C(t)]\}}{\{MV(T0) + \text{Sum } [W(t) * C(t)]\}}$ <p>where,</p> <p>T1 = End of time period        T0 = Beginning of time period        t = Specific date falling between T1 and T0        MV(T1) = Market Value at T1        MV(T0) = Market Value at T0        C(t) = Cash inflow, cash outflow on specific date        W(t) = Weight of the net cash flow (i.e. either net inflow or net outflow) on day 't', calculated as <math>[T1 - t] / T1</math></p> <p>Companies may provide ROI separately for each asset class (e.g., equity, fixed income, money market, etc.).</p>
